				(Signature of Contracting Officer)			

**B.) INCORPORATE CHANGES INTO SOLICITATION**

1. Section J.1.B, revise as follows:

From:

B. The following listed documents are herein incorporated as part of this contract. They will not be physically included in the contract; however they will retain the same force and effect as if incorporated in full:

- (1) Representations, Certifications and Other Statements of Offerors
- (2) Instructions, Conditions, and Notices to Offerors

To:

B. Per FAR 15.204-1 (b), Section K will be incorporated by reference as part of this contract.

2. Section M.1.b.(2), revise the first two paragraphs as follows:

**From:**

Past performance information is one indicator of an offeror's ability to perform the contract successfully. The Government will assess the past performance of the offeror on the three projects identified in the offeror's Technical Experience Summary. (This assessment of past performance information is separate from the contractor responsibility determination required under FAR Subpart 9.1.)

The information provided in the Technical Experience Summary and the completed past performance questionnaires submitted by the offerors' Contracting Officers or customer contact equivalents identified in the Technical Experience Summary will be evaluated. The Government shall consider this information, as well as information obtained from other sources (to include interviews with previous customers), when evaluating each offeror's past performance. The currency and relevance of the information, source of the information, context of the data, and general trends in the offerors' past performance shall be considered. The evaluation shall take into account past performance information regarding predecessor companies, key personnel who have relevant experience, and/or subcontractors who will perform major or critical aspects of the requirement when such information is relevant to this acquisition. The Government will not disclose the names of persons/companies who provide performance information. If, during the course of the evaluation, the Government obtains adverse information to which the offeror has not previously had an opportunity to respond, the Government will afford the offeror an opportunity to clarify the adverse information.

**To:**

Past performance information is one indicator of an offeror's ability to perform the contract successfully. The Government will assess the past performance of the offeror on the projects identified in the offeror's Technical Experience Summary. (This assessment of past performance information is separate from the contractor responsibility determination required under FAR Subpart 9.1.)

The completed past performance questionnaires submitted by the offerors' Contracting Officers or customer contact equivalents identified in the Technical Experience Summary will be evaluated. The Government shall consider this information, as well as information obtained from other sources (to include interviews with previous customers), when evaluating each offeror's past performance. The currency and relevance of the information, source of the information, context of the data, and general trends in the offerors' past performance shall be considered. The evaluation shall take into account past performance information regarding predecessor companies, key personnel who have relevant experience, and/or subcontractors who will perform major or critical aspects of the requirement when such information is relevant to this acquisition. The Government will not disclose the names of persons/companies who provide performance information. If, during the course of the evaluation, the Government obtains adverse information to which the offeror has not previously had an opportunity to respond, the Government will afford the offeror an opportunity to clarify the adverse information.
